

I have thoroughly enjoyed working with Richard and David and Extravaganza Productions Ltd during the past three decades. It has always been a great pleasure to help with the sewing of costumes and to also be dresser to Richard and David when they performed in Pantomime or Old Tyme Music Hall themselves. The production of Cinderella this year will be the fifth pantomime I have been Wardrobe Supervisor at Stockport for Extravaganza.

The costumes are an absolute delight to work with, so colourful, sparkly and with such style. The Company oozes professionalism to the maximum. Actors and Staff are treated with great respect and I personally cannot wait for the Pantomime season to begin again.
